### PRODUCT DETAILS

The Clique Spin Eco Performance Pique Mens Polo is your essential every day polo for practice, workouts, supporting your favorite team, and for representing your school, college, team or company. Out super durable, super comfortable short sleeve polo is constructed from spin-dyed 100% Polyester Pique for great style, performance, and consistent color making for a great base for embroidery or heat transfer printing, and a lower environmental impact. Our durable and comfortable Spin Eco Performance Series is made with spin dye technology for long lasting color that never fades or loses its color. The spin-dye production process uses 90% less water, fewer dyeing chemicals, and reduced energy consumption than traditionally dyed fabrics. This item also features removable tags for comfort and relabeling. Clique apparel features, no exterior branding so you can always count on Clique as a great uniform, spirit wear, and as your everyday sporty essentials.
